### **Aquatic Management Plan** – Steve Hunnicut

Owe county \$3500. The Lake Association Aquatic Management Meeting a month ago set 5 plan goals.

1. Prevent the introduction and spread of aquatic invasive species.
2. Reduce and control the spread of Purple Loosestrife.
3. Enhance and, maintain the diverse populations of native aquatic plants.
4. Educate the Long Lake community regarding aquatic plant management, management strategies found in the plan and appropriate plant management actions.
5. Maintain and improve water quality conditions.

During the next meeting the team will list objectives for each goal.

### **Loon Report:** Dave Bjarnason

High water and early ice out, we might need to rethink when we put the loon platforms out next year. Middle and South end loons nesting on peninsula. Loon count from last year is up. It takes 28 days to hatch loons. They should be hatching any time now.

**Slow No Wake Signs.** The signs are still there. It is a safety concern.

**Historian Book** returned to us by Mary Bielke. Volunteers to take over?? Karen has it.

**Walter Holm** sign on Wally's Point is approved.
