- Expenses 1,184.32
- **May 2019 Total** 794.98
- **Special Fund Total** 3,634.15.00

Sheriff Talk

- Lower amount of meth labs/ now coming through Mexico
- Break-ins point cameras toward lake, or have one in driveway at license plate level
- Most thieves in jail right now, so quiet
- Sheriff joined Long Lake Association FB page to help keep us informed
- Working on senior citizen scams- federal trade commission website will alert you of scams with an email if you sign-up ic3.gov to report scams
- If you have a driveway gate/ call sheriff office for a special key to help sheriff department
- Fire evacuation- working with DNR
- Donation for new canine, search, drug, apprehension... working on getting a second

Boat parade / Ice cream social

- Saturday July 7th, 1:00 line up
- Pat & Trish on south shore for Ice Cream Social after boat parade
- Root Beer Floats for Ice Cream Social
- Prizes for best decorated boat:
- Pat and Trish volunteered to take over ice cream social

Announcements- Bob Peterson

- We are in the top five fire area in Wisconsin: mind fire warning signs, be safe, get a fire permit
- Burnett Co. Alert System: sign up
 - weather, fire, child molestation
 - 2 inches or more of snow on ground no fire permit needed
 - haul leaves and brush to town hall for free

Aquatic Plant Management plan status- Steve Hunnicut

- AIS (purple Loose strife) Invasive Species: on hold, high water level
- Education piece to be planned and started
- Water Management: decontamination station up and running
 - Keep an eye on boat landing, everyone please pick up trash on bottom of lake
 - Eyelids camera system: 1st year \$10,305, then \$2000 a year
 - : must be in 1 year to get grant for \$4000
 - : need 200 people hours for clean boat/clean water
 - Do we have any idea who uses? Main Store tests boats? Fishing groups?
 - :survey people launching boats
 - Its not IF, but When we will get zebra muscles: can we push the when off until a solution is found?
 - Clean Boat/ Clean water Committee: Mark Michels volunteer to head up, over seen by Steve Hunnicut: also need education piece

Loons update- Dave Bjarnason

- Ice out April 21-22, platforms were in 4/28
- Loons arrived 4/23
- North Nest has a pair, South Nest has a pair, Middle nest has a pair
- Lake up 4inches
- May 16- black flies: loons off nest in south and middle, two eggs on each
 - Black flies – female flies bite, cause disease, not much you can do

Other Business

- Dennis Larson- worked to get a new culvert on East long Lake Rd to try to lower the water level into Hanscom Lake. Placed too high by DNR
- Dues Increased from \$25 to \$35 to cover our AIS fund
- No wake at the Narrows: water is up

Respectfully submitted,
Malinda Tamlyn, Secretary
